

Accreditation Readiness Checklist

Before moving forward with the accreditation process, it's important to ensure your organization meets the foundational requirements. This checklist is designed to help you confirm that key elements—such as facilities, client base, qualifications, and essential documentation are in place. Use it as a quick guide to identify any gaps and prepare for a smooth accreditation journey.

- YES
- NO
- N/A

1

If you require a facility, do you have one?

Do you have clients, or do you know where your clients are coming from?

2

- YES
- NO

- YES
- NO

3

Do you have the capacity and readiness to undergo accreditation?

Do you have a plan of action to provide services?

4

- YES
- NO

- YES
- NO

5

Do you have a budget to provide services?

Can your organization commit time to a structured review over the next 15-18 months or more?

6

- YES
- NO

Answer Key

If you answered yes, then your organization is ready to pursue accreditation

If you answered no, then there may be a few pieces your organization needs to put in place before you begin accreditation
